Green school sweatshirt

Green school reversible showerproof jacket

PE

White T shirt

Green polar fleece Navy/black shorts

Dark colour socks Plimsolls

Black shoes / sandals

- School reversible showerproof jackets, polar fleeces, sweatshirts, & polo shirts, embroidered with the school name, are available to purchase from the school.
- The school colour is green for jumpers, cardigans and sweatshirts/fleeces.
- Summer wear should also be green/white e.g. school summer dresses.
- Each child should bring plimsolls, preferably those with velcro fastenings (which make them easier for the children to put on) PE shorts and a plain white T-shirt in a drawstring bag (these can be ordered from the school).
- A swimming costume/trunks, cap if wished, and towel should be brought to school each swimming day, your class team will advise.
- **All clothing should be clearly marked with the child's full name.** If possible this should be on tapes sewn in firmly. No responsibility can be taken for unmarked clothing.
- We recognise how important good footwear is to the development of our children's feet. We would urge that the children have a good pair of shoes for school wear, not trainers or strappy sandals. Socks should be white or a plain dark colour.
- We aim to go outside at playtime and lunchtimes throughout the year. Please ensure your child has suitable outdoor clothes, particularly in cold weather. Any jackets or coats worn should be in a dark, plain colour. Reversible showerproof jackets with logo can be ordered from the school.
